

ELLSWORTH SPORTSMEN’S CLUB, INC.

FACILITIES & GROUNDS RENTAL

Thank you for your interest in renting the Ellsworth Sportsmen’s Club (ESC) for your event. It is our pleasure to serve you and provide you a clean, safe, and climate controlled environment.

The ESC clubhouse and grounds features a bar with 13 different types of beer, a variety of liquors and mixers; three large screen televisions, spacious “party” area, and tables and chairs that can accommodate approximately 50 guests. Additionally we have an outdoor deck with two tables and bench seating, a rifle range, pistol range, 3D archery course (in season), trap range and a large well lit parking lot.

An ESC officer/board member will be happy to provide bar, kitchen or range services for an additional fee. You may use our industrial stove, oven, flat top griddle, roasters, coffee maker and refrigerator. Or bring in your own catering service.

As part of your rental agreement with ESC you will be required to set up and tear down for your event, including sweeping floors, emptying garbage, range clean up and returning tables and chairs to their original location, immediately following the event.

As a renter of the ESC, you are responsible for the action of your guests, such as, any property damage, altercations, intoxication and disregard for club rules, regulations and policies. All PLCB rules will be followed during your event, therefore, any person who appears underage will be carded and any intoxicated person will be shut off by the bartender.

Motorized vehicles, motorcycles, ATV and/or tractors are not permitted on ESC grounds, except the main parking lot. No explosives, fires or incendiary devices are permitted at any time.
